

# CartonPlast

## Sheet Extrusion line

APPLIED HI-TECH IN EXTRUSION

Cartonplast

**More than 60 years experience in the plastics processing field, along with a continuous research for the optimization of the twin-wall sheet extrusion, enabled us to proudly set-up the biggest World-wide Factories for hollow-profile sheet extrusion.**

**The fruitful and always active co-operation with our Clients, led us in the development & manufacturing of our today technologically highly advanced production line & downstream equipment, for the production of any kind of CARTONPLAST item.**

- 900KG/H
- Up to 3mt width
- MultiLayer co-extrusion
- Supreme Quality
- High Speed
- Full Automation
- Any profile shape
